Our Christmas Shopping Bag Program will run again this year!. I was going to start it Dec. 1, but, due to the economy, many may want to fill their Xmas bag in Nov.....Soooooooooooooo, here is how it will work. Fill your bag.....must be paid for in 2 weeks....

Why do we do this?? to help women. You know what everyone else wants, but, no one ever knows what you want...hmmmmmm why is that?? Anyway, you put

really cool fun stuff in your bag that you want, (rulers, books, needles, fabric, cd's, thread...) your kids, sweetie or..... picks it up and pays. Easy parking, quick pay, guaranteed to fit, already in a cute bag, no returns.....& best of all, they think they participated in the shopping experience! How easy is that??
